*WIDENER WAY*

*Widener Memorial's*

School Wide Code of Conduct

Mission Statement:

- To establish uniform guidelines which will promote positive standards of student behavior that are essential for effective learning at Widener Memorial School.
- To develop a system of reinforcement that will support appropriate behaviors and interactions within the student population.
- To delineate uniform adult responses to misbehaviors and serious infractions which include adherence to the established code as stated in the Student Code of Conduct & the Staff Handbook.
- To encourage the development of a community which is built on respect for self and others, and the celebration of diversity.
- To foster knowledge of, and respect for, those of all races, ethnic groups, social classes, genders, religions, disabilities, and sexual orientations through education, positive methodology and school-wide strategies.
