Dear Parents and Guardians,

We are excited to announce that this year, we will be utilizing Sign-Up Genius to schedule your child's report card conferences. This system will make it easy for you to choose a time that works best for your family and ensure that everyone has an opportunity to meet.

You have the option to attend the conference in person at the school, participate via phone, or have a video call—whichever is most convenient for you. We believe that maintaining flexible options will help accommodate your busy schedules and make the conference experience more accessible.

Report card conferences are a great way to discuss your child's progress, celebrate their achievements, and collaboratively identify areas where they may need additional support. These conversations are essential in fostering your child's academic growth and ensuring that we are all working together to help them succeed.

We encourage you to take advantage of these conferences as an opportunity to connect with your child's teachers, ask questions, and share any insights that can help us better support your child's learning journey. I have attached a link for you to click on your teacher's name to schedule your appointment if you have not done so already. Please reach out if you have any issues signing up.

Thank you for your continued partnership and involvement in your child's education. We look forward to meeting with you soon and working together to make this a successful school year.

You can find this link on the Widener Website or in Class Dojo.
